

Bitch - Judge Catharine O'Callaghan

I was delighted to be asked to judge this Club Championship Show. I was made very welcome and my thanks to the Committee for the opportunity to judge the quality entry that awaited me. My thanks also go to my two very efficient stewards who enabled the judging to proceed easily. I was sorry not to see June McAvoy there, I understand that she had a fall and broken her hip, best wishes for a speedy recovery. I found the overall quality very high especially in the later classes where I was spoilt for choice,

Minor Puppy Bitch 2 entries 0 abs

1. Powis Amberwave Feather a well balanced sound puppy, continuing the high standard of dogs from her breeders. She has a good shape of skull, with gentle expression and kindly eyes, long ears set correctly. Nice length of neck flowing into well laid shoulders. She is well bodied for her age with a good spring of rib, good bone and tight feet, very well developed quarters and sound movement
2. Loynd Anlory Poachers Dream joins Crimbledale . a smaller bitch with a pretty head and expression, preferred the eye shape of the winner, good front and quarters. Today I thought that she was carrying a bit too much weight which spoilt her topline. She has a good neck and shoulder placement. Needs to settle on the move.
