

BRENDA LEVICK

I am saddened to report the sudden death of Mrs. Brenda Levick of the notable Corriecas kennel on Thursday 25th January at the age of 82 years. The Corriecas kennel was established in 1963 and older exhibitors will remember her success with Sh. Ch. Corriecas Fagan, culminating in winning Reserve Best in Show at Crufts in 1983, no mean feat at that time.

Recently Brenda was obliged to go into a nursing home due to frailty, but was visited quite regularly by friends who took their Irish Setters for Brenda to admire. Brenda never lost her love for the breed and during these visits would proudly show off the dogs to her fellow residents.

Funeral arrangements to follow.
