

IRISH SETTER BREED NOTES
W/C MONDAY 14TH AUGUST 2023

The notes are brief this week because although this has been Bournemouth weekend gundog day is today.

My apologies for missing some Paignton and NGA group placings last week.

Cathy Neil and Rebecca Ellrich's Ferasheen Perfekt In Pink Gwendariff was second in the Puppy Group at Paignton under Tony Allcock.

At NGA Gill Dale's Casachared Constance Tally of Aubanjon was Puppy Group 3 under David Howarth. Congratulations to you all.

The entry for Jim Richardson at WKC is 68 making 79.

Entries for SWKA close on 25th August by post and online at midnight on 4th September. Joanne Parsons is our judge and her last appointment was at MISS in 2022 when she did the dogs and titled Sh Ch Quensha Take A Bow with the RCC going to Lynwood Hocus Pocus At Settesoli.

Please join me in sending get well soon wishes to Gerry Condron (Covarney) who has been in a couple of hospitals over the last 3+ weeks where he's had to have (another) Cardioversion to try and stabilise him. He has now been fitted with an ICD & pacemaker so hopefully this will stabilise him.

As I'm short on content this week here are two Little Mate Stories from Leeds.

So there I am at Leeds with my little mate and, as she does, she's walking along talking to everyone in sight and as someone passes she carries on walking and talking to them over her shoulder.

Me: Chris, watch out for the poo

MLM (as she comes to an abrupt stop): What poo?

Me: That that you're now stood in!!!

There's no hope.

Later we are invited back to Patsy's for food and drinks.

As we're walking in I congratulate MLM on our very good day.

MLM: If I tell you something do you promise not to put it on FB?

Me: (Fingers crossed) I solemnly swear

MLM: Well I'm wearing new knickers today and I thought they felt a little bit uncomfortable

Me: Oh why?

MLM: When I went to the loo to check what was wrong with them I found my Tena Lady was stuck to my bum.
